

CSBC @ HBHS

auto parking information

Due to the size of this tournament, and the number of participants, the school lots must be used for school busses and trucks only. Cars, SUVs, etc. will not be allowed in the school lot.

Car parking is suggested as follows:

Civic Center parking at Main and Yorktown

This is across the street from the stadium's main entrance, but some distance from the band's busses. This is most convenient for spectators. **DO NOT PARK** in spots with restrictions (closest to Police Station) - you will get ticketed! Cross Main St. at the corner.

Business Park at Main/Yorktown caddy-corner from stadium

This is across from the Civic Center and Seacliff. Easy in and out. Close to spectator entrance.

Street Parking

There is lots of parking available on the streets in the neighborhood adjacent to the school, particularly to the East. Expect 5 minutes of walking, but an easy exit.

Albertson's/Seacliff Shopping Center at Main and Yorktown

DO NOT PARK HERE! This lot is across from the stadium, but they may tow your vehicle. Please avoid this lot. (Despite the fact that hundreds of students purchase meals here each week, they are unfriendly towards school event parking!)
